Climbing Wall

The Climbing Wall is a 25 foot challenge experience. Each participant is given equipment (waist harness, helmet, and locking carabiner) that is checked before each climbing session. Ground instruction is always given prior to participation. The climber begins an ascent up the climbing wall. At the summit, the climber simply pushes off the wall to be lowered slowly and safely through the air, per the wall's redundant auto-belay system. Trained instructors are present at all times to monitor, support, and facilitate a positive experience. Our philosophy is challenge by choice. All participants choose what they feel is challenging. Staff is trained to encourage, but not pressure. In signing below, I am stating that I or my child participating weighs at least 45 pounds and I allow myself/him/her to participate on the Climbing Wall.

Upon end of zip, the participant will be safely disconnected from the course. Our philosophy is challenge by choice. All participants choose what they feel is challenging.
